

Do you want a gift of £100?

Any Loughborough member who introduces a friend or a family member to the Society who subsequently takes out a new mortgage with us will receive a gift of £100 when that person actually completes their new mortgage. There's no limit on how many people you can introduce however they cannot be current members of the Society.

The Loughborough has a great range of mortgages usually including fixed and discount products for people who want to move their mortgage from another lender as well as mortgage products for purchases, buy to lets and commercial premises.

To make sure that you get your £100 complete this form and hand it in to your local branch. Please make sure that the person you are introducing has given their permission to provide the Society with their details. A member of staff will then contact them to discuss their requirements and to make arrangements to take an application. Your £100 will be sent to you as soon as the new mortgage completes.
