

The Loughborough is nominated for prestigious awards

Loughborough Building Society has been nominated as Best First Time Buyer Mortgage Provider and "Best Cash ISA Provider" in the 2009 Moneyfacts.com awards.

The awards ceremony takes place on Friday 12 June at The Brewery in London and is a major industry award event. Moneyfacts has long been established as one of the top financial reference sites, supplying key financial information to the public as well as the media.

Caroline Joyce, operations director at The Loughborough said that the nominations themselves are a great accolade in fiercely contested mortgage and savings markets.

“Being nominated for these awards is a big honour for us and reflects the hard work and the dedication of the team here at The Loughborough,” she added.

“As a regional building society with a strong ethos of customer service and competitive rates without high risk to the organisation, we are especially keen to support and encourage first and second time buyers back into the market.”

The Society currently offers a full range of fixed rate products 2, 3 & 5 years all up to 80% LTV and a range of discounts with some products up to 85% LTV.
