

What you need to know about our ISAs

ISA stands for 'Individual Savings Account', a tax efficient way to save or invest money.

There are four types of ISA:

- Cash ISA
- Stocks & Shares ISA
- Innovative Finance ISA
- Lifetime ISA

Loughborough Building Society only offers Cash ISA's.

What is a Cash ISA?

A Cash ISA is a savings account where interest is paid tax free. It is available to UK residents who are aged 18, subject to the product terms.

You can invest in one Cash ISA product per tax year with The Loughborough. Your £20,000 cash ISA allowance for 2025/26 cannot be split between different ISA products within the same tax year at Loughborough Building Society. Other ISA providers may offer higher flexibility to split your allowance across different ISA products within the current tax year.

You can split your ISA allowance between different ISA providers, it is your responsibility to ensure that you do not exceed your £20,000 2025/26 annual ISA allowance if choosing to do this.

How much can I invest?

ISAs are subject to an annual subscription limit of £20,000 for the tax year 2025/26. By opening a Cash ISA, you will be limiting the amount you can invest in a Stock and Shares ISA, Innovative Finance and/or Lifetime ISA.

What if I change my mind?

What happens upon death when holding a cash ISA?

Your cash ISA will end when either your executor closes it, or the administration of your estate is completed. If this takes longer than 3 years your ISA provider will remove the tax-free status of the funds.
